

R E M A R K S

This Preliminary Amendment supplies a cross-reference to the related application of which benefit is claimed under 35 U.S.C. §120, as required by 37 C.F.R. §1.78.

In addition, all the claims of the parent application (including those allowed therein) have been canceled from this continuation application and replaced with new claim 15. The recording density limitation in this claim is supported by the disclosure of the original specification e.g. at p. 4, lines 14-15.

Entry of this Preliminary Amendment is courteously requested.

Respectfully,

Christopher C. Dunham
